

MDI/AYS Travel Basketball COVID Protocols:

Masks are always required for all individuals at youth indoor practices and competitions, including coaches, staff, officials, athletes and spectators.

Spectators at competitions are limited to 30 seats for the home team and 30 seats for the away team. Social distancing is encouraged – spectators who are not in the same family group should maintain 3-6 feet spacing away from other groups. Masks must be worn properly at all times (fully covering nose and mouth) in the bleachers.

No food or drink is allowed in the facility (except for athlete water bottles).

Entrance and exit: All athletes and spectators will enter the gymnasium through the main door. Exit will be out through the side door as to limit possible exposure from one group to another. Coaches and volunteers will help support this one-way traffic pattern.
